Porterville, CA 93257

Dear President Andrews:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting on January 7-9, 2004, reviewed the Midterm Report submitted by Porterville College. The purpose of this review is to assure that the recommendations made by the evaluation team are addressed by the institution and that the college has also considered the self-identified areas of concern which were included in the institutional self study. I am pleased to inform you that the Midterm Report was accepted.

The Commission requires you to give the Midterm Report and this letter dissemination to the Chancellor, your college staff, the campus leadership and the Board of Trustees. The Commission also requires that the report be made available to the public. Placing copies in the college library can accomplish this.

Please note that the next comprehensive evaluation of Porterville College will occur in **fall 2006**.

The Midterm Report will become part of the accreditation history of the college and should be used in preparing for the next comprehensive evaluation. The Commission expects that you share this information widely among interested parties at the college.

Sincerely,

Barbara A. Beno
Executive Director
